The issuance of this permit authorizes improvements of the real property designated herein, which improvements may subject such property to mechanics' and material men's liens pursuant to part 3 of article 8 of chapter 14 of title 44 of the official code of Georgia annotated. To protect any interest in such property and to avoid encumbrances thereon, the owner or any person with an interest in such property should consider contacting an attorney or purchasing a consumer's guide to the lien laws, which may be available at building supply home centers.

Separate permits are required for electrical, plumbing, heating, ventilation or air conditioning. This permit becomes null and void if work or construction is not commenced within 6 months or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced.

I certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this work will be complied with, whether specified herein or not.
