

General Information for Broxton Rocks Tour Participants

1.) You must be in good physical shape.

- Broxton Rocks is not ADA accessible - Therefore no wheel chairs, walkers, canes, breathing apparatuses, etc.
- Do you have any problems that limit your walking? This may include, feet, legs, knees, hip, back and any respiratory conditions.

2.) Youth under the age of 18 must be supervised.

- One supervising adult per youth.

3.) Please dress accordingly.

- Wear comfortable and protective clothing to protect yourself against bugs, sun, weather, briars, bushes, etc.
- Comfortable shoes with good treads are a MUST due to the fact that you will be walking approximately 1 ½ miles total over uneven and rocky ground.

4.) The tour takes approximately 2 hours to complete. Please feel free to bring and carry:

- Bug spray, sunscreen, cameras, bottled water, non-alcoholic beverages, and snacks.
- Anything you bring in, you must bring out with you. Please help us keep the preserve clean.

5.) All individuals will meet the tour guide at the designated area.

6.) All individuals will follow the tour guide in their own vehicles to the Broxton Rocks trailhead.

7.) Each individual will have to complete a release of liability form. Please complete the forms and return to tour guide.

8.) The tours are free of charge.

- However, we happily accept contributions to help support our conservation work throughout Georgia. Visit www.nature.org/georgia and click the Ways of Giving link or send checks to the address above along with a letter expressing if your donation is for general support or should specifically be used in the greater Broxton Rocks area.

9.) There are no facilities (NO RESTROOMS) at the Broxton Rocks Preserve.

- Please plan accordingly.

10.) Pets are prohibited.

11.) Under unfavorable weather conditions of light mist and rain, the tour will go forth as planned. However, in the event of heavy rain, snow, or sleet the tour will automatically be cancelled.
